GM REPORT AND GENERAL DISCUSSION

Continued Discussion of Replacements for Ask Dr. Gayle and Imagining

Community. Grant is waiting to hear back from some leads he has for that slot, second Tuesdays at 6pm. In the meantime, we'll go with Project Censored.

Comments on current programming

- Marci questioned some of the relationship advice being given out on Talkin' Bout Practice.
- Love is on the Air segment for Valentine's Day, a one-hour time slot involving To and From Valentines accompanied by artist requests. It was very successful, and so the station is considering opening it up to a two-hour slot in 2024.
- Rob suggested that our forward promotes involve like-genre shows
- Grant reported that the emails for Programmer Self-Evaluation have been sent out to all the programmers.

Next meeting: Thursday, March 16, 2023, at 5pm, via Zoom

Tasks to be done post-meeting

Grant

- Send an email to Mr. Isomaki informing him of the PC's decision regarding the details of the violation, and that we will give him a warning such that if this happens again, such an offense would result in his removal from the air. Further, that there must be some kind of educational aspect, e.g., taking a diversity sensitivity workshop.
- Ensure that Marci's email address is included on the PC email list.

Adjourn 6:01pm

Respectfully submitted,
Robert Jones, Secretary
